FACHE, President and CEO of
CAHME*

This scholarship recognizes students enrolled in CAHME accredited programs who demonstrate exceptional potential to innovate and drive meaningful change in healthcare. The award will be presented during the 10th Annual CAHME Awards Ceremony at the American College of Healthcare Executives (ACHE) Congress on Healthcare Leadership on March 23, 2025.

“Isabella was selected for her exceptional commitment to driving transformative change in healthcare. Her hands-on work as a certified Community Health Worker addressing disparities in vulnerable populations, paired with her

research-driven approach as a Graduate Research Assistant, underscores her ability to blend advocacy with data-driven solutions,” said Laura Sachs, President of the Laura Sachs Family Foundation.

“I am honored to have nominated Isabella for the CAHME/Laura Sachs Family Foundation Scholarship because of her exceptional leadership and innovative thinking. Her efforts to pass Illinois’ SB2606 and her advocacy for mental health, coupled with her work to improve healthcare access for underserved populations as a certified Community Health Worker, highlight her passion for creating meaningful change. Isabella’s ability to address complex challenges with innovative solutions makes her a true trailblazer in healthcare management,” said Dr. Kimberly Enard, PhD, MBA, MSHA, FACHE, MHA Program Director at Saint Louis University.

“CAHME scholarship recipients are a testament to the dedication of students who represent the

future of healthcare leadership. These awards honor individuals who not only excel academically but also show an unwavering commitment to driving meaningful change in healthcare through innovation and advocacy,” said Anthony Stanowski, DHA, FACHE, President and CEO of CAHME.

“I am truly honored to have been chosen for the CAHME/Laura Sachs Family Foundation Scholarship in Honor of Michael A. Sachs for Entrepreneurs in Healthcare Management. As the first female recipient of this award, I’m deeply grateful for this recognition,” said Isabella Cipolla-Pruitt, MHA Candidate at Saint Louis University and 2025 CAHME Award Recipient.
