

*Advancing Quality. Celebrating Leadership. Achieving More, Together.*

## 2026 CAHME Awards Program Congratulatory Message Opportunity

CAHME’s printed program is placed at the seat of every guest attending the Awards Ceremony. Following the event, the program will also be displayed and shared at CAHME’s booth (#236) in the ACHE exhibitor hall (March 2–4) and distributed digitally through CAHME’s channels.

Congratulatory messages are a meaningful way to recognize a winning student, faculty member, or program, or to highlight your organization’s commitment to advancing healthcare management education, with visibility that extends beyond the ceremony itself.
